## DIARY NOTES

<b>A</b> -	DD,	/S

26 April 1966

1. I discussed the Notice on procurement restrictions with Col. White who does not share John Clarke's view that we ought to restrain ourselves this year. He feels that we should use all the funds that are available to us and will take this up with John Clarke again.

2. OGC has decided that it would be illegal for us to use appropriated funds to serve refreshments to the visitors. s therefore recovering the draft Notice to delete this from the program.	<sub>÷</sub> 25X1A
3. I spoke t regarding the FE B&F officer I	25X1A
told him that John Clarke would support an upgrading for the position and	
that everyone hoped that he would be left in place at least for another year.	
Pat wouldn't commit himself but I have asked o follow up and	25X1A
to make sure that Finance does, in fact, leave n place I also sug-	25X1A
gested to Pat that he give some consideration to a QSI to	25X1A
4. reported that the CIA and the State Department briefing officers had an appointment with Secretary Wirtz to brief him in order that he could receive certain intelligence at the request of the	
Secretary of State. Wirtz listened to the briefing but when presented with	
the statement to sign declined to do so and told them that he would rather	
that they take the information out if he had to sign such a paper. The	
briefing officers did this and the matter was reported to	25X1A
and Col. White. I asked Charlie for a list of Cabinet	
officers who had complied with the requirement which he prepared and	
which I gave to Col. White
